Prize Presentation Sunday 27th July at 7.00pm

Rules

1. The festival will be fished under H.B.A.A. rules. Any dispute or matter not dealt with by these rules will be considered by the committee whose decision will be final.
2. There is no restriction on boat size but all boats going afloat must, as a condition of entry using CCC launching facilities have their CCC Watercraft Membership Number (or HBAA visitors permit) clearly marked on the vessel, carry compass, life jackets for each person in the boat and in-date flares and V.H.F. Radio. No Competitor may fish alone or with a non-competitor.

3. Fishing Times

Beach

Competitors may fish on the beach from 5 am Friday 25th July until 5pm on Sunday 27th July 2025.

Boat

All boats competing must leave from the harbor or inside the vicinity of the 8 knot buoys adjacent to the harbor arm from 5am on Friday, Saturday and Sunday and must return by 8pm on Friday and Saturday and 5pm on Sunday. Providing permission has been granted by the committee, Charter Boats may leave their port from 5am on Friday, Saturday and Sunday and head straight to their designated area but must not anchor before 6am and no lines to enter the water until 6am. **For safety reasons boats must not be afloat between the hours of 8pm to 5am.**

4. Fishing Limits

Beach

From and including fishing from **Whitstable Street** to the **third breakwater past Coldharbour Sluice** including Piers and Jetties.

Boat

The Easterly Limit: An imaginary line drawn from the shore at Westgate to the SE Margate Buoy then to the Tongue Towers and then to continue North until it intersects with an imaginary line running west to the northerly limit of the Knock John Tower.

The Westerly Limit: An imaginary line drawn along Whitstable Street to the Columbine Buoy then to the Red Sands Towers and then to continue north until it intersects with an imaginary line running east to the Knock John Tower.

5. For safety reasons all boats must launch and recover from the Harbor or Neptune Jetty. Any boats (due to size or draft) that cannot access the designated launch areas can be taken out by a competing boat, providing the transfer takes place inside the 8 knot marker buoys in the vicinity of the harbor arm.
6. It would assist with the smooth running of the competition if you could register in advance, but entries will be accepted on the days of the festival during club opening times.
7. **All boat competitors must register/check in at the H.B.A.A. HQ/Car Park before starting to fish. No entries will be accepted after 11pm on Saturday 26th July 2025.**
8. Checks will be performed in the Launch/Recovery area each evening between 8.00pm and 8.30pm to ensure all boats have returned safely.

9. Only 2 fish per day will be accepted in accordance with current MMO guidelines. All fish must be weighed at the club house.

Minimum Qualifying Size
